Seating, Tables and Related Furnishings:

1. Patrons may utilize public spaces, seating and gathering areas located within the Social District an Commons Area to enjoy their Social District beverages.
2. The City may install additional public seating and gathering areas within the Social District based on new needs or special needs.

LOCAL MAINTENANCE AND OPERATIONS PLAN continued

Signage:

1. A variety of clearly displayed signage and markings will be installed throughout the Downtown Trenton Social District in order to delineate the official boundaries.
2. A variety of signage and informational graphics will be posted throughout the licensed establishments of Social District Permit Holders. This will be educational information and marketing materials.

3. A QR Scanner Code will be available throughout the Trenton Social District and Commons Area
4. Public Notices regarding changes, amendments and moratoriums of the social district will be posted publicly and will be accessible via the City's website and QR scanner codes.

Trash and Recycling:

1. Downtown Trenton offers dozens of decorative street barrel trashcans. Additional Trash cans (55 gallon drums) will be placed strategically throughout the district to account for larger volumes of consumption and usage.
2. The City of Trenton's Department of Public Works will be responsible for regular emptying of all of Downtown's decorative street barrel trash cans. IN the scenario of events, the City of Trenton may contract with special providers or volunteers to assist in emptying the cans.

Social Distancing and COVID-19 Response:

All users of the Downtown Trenton Social District and Commons Area shall follow State of Michigan social distancing requirements. This also includes the State of Michigan Executive Orders, including but not limited to, complying with limits on social gatherings and requirements relating to face masks.

Updated information regarding the Trenton Social District can be accessed online at the City's website by scanning the QR code below using your smartphone camera.
